1. I talked to Larry Houston and [REDACTED] about adding a lawyer on [REDACTED] staff in [REDACTED] possibly stationing him in [REDACTED]. I told them that I did not think we could favorably consider their suggestion that this be a field position chargeable to the Office of General Counsel.

2. I talked to Shef Edwards and Ed Saunders about giving Frank Ecker, Bureau of the Budget, a pass to our buildings. I told them both that I was opposed to this as a matter of principle but that because of the offer which Shef had already made, I would agree to giving him a pass to Alcott Hall only.

5. I talked with [REDACTED] and Matt Baird about the letters which Matt proposes to send to a number of distinguished people inviting them to address the Junior Officer Trainees. I instructed Matt that the Director should sign these letters and Jack agreed to show a draft to General Cabell to get his approval on it before we prepared the letters in final form for his signature.

7. I talked to [REDACTED] about his recommendation that [REDACTED] be promoted to grade GS-15.
